

The Gifted Education Research & Resource Institute at Purdue University will host their second virtual fall Super Saturday in October. There are no requirements or restrictions for students to register. All students are welcome.

The registration to enroll for the Purdue Gifted Education Research and Resource Institute's (GER²¹) **Super Saturday** held in **October 2021 is now open!** We will have 2021 virtual Super Saturday on October 16th and 23rd in this fall. Saturday sessions start at 9 a.m. EST and the end time vary for the different grade levels (PreK-Gr.2 end at 12 p.m. EST, Gr.3-Gr.12 end at 3 p.m. EST). All the classes will be held through Zoom. REGISTER ONLINE at: <https://cvent.me/BQv5nW> The registration will be closed on Oct 9. Any registration after Oct 9 needs to contact the program coordinator first at yang1707@purdue.edu

GER21's Virtual Super Saturday program provides learning experiences that explore advanced material and develop critical and creative thinking. We offer a caregiver-child format for children in PreK - 5th grades so caregivers can spend quality time and gain experience working with their children. Parents are invited to our parent interest sessions.
