A. Health Insurance Plan

Administrators hired after July 1, 2013, will be offered: a single or family membership at the current employee cost, (subject to change each January), in the Lake Central School Corporation's health plan.

Administrators hired on July 1, 2013 or prior will be given the choice of receiving: 1) a single or family membership at the current employee cost, (subject to change each January), in the Lake Central School Corporation's health plan or 2) \$10,000 deposited to the administrator's 401(a) plan account at the end of the contract year. Once an employee chooses Option 1, they are eliminated from Option 2 for the remainder of their employment with Lake Central. Administrators are to notify the **Director of Human Resources** in writing on or before June 30 of their annual election.

In the event of an administrator's death, a copy of the death certificate is required prior to distribution of this benefit to the beneficiary.

The administrator's spouse and dependents, if any, will be allowed to continue participation for 36 months as required by COBRA, or until eligible for Medicare, whichever occurs first. It is acknowledged that the parties intend these provisions to comply with applicable federal and state laws that establish an eligible teacher's right to continue health insurance for the teacher and spouse, including if otherwise applicable, Indiana Code 5-10-8-2-6. Therefore, this right to extended coverage shall not override any rights to continuing health care coverage.

O. Participation in Community Service Organizations

Programs and initiatives of community service organizations have proven to enhance the quality of life for all citizens. Participation in community activities by school leaders can serve as strong evidence of the commitment of the school district to work together with leaders from other sectors of the community to achieve common goals. For this reason, and in order to improve the lines of communication between school and community leaders, the superintendent will assign central office administrators to participate in community organizations. Related membership fees will be paid by the school corporation upon approval by the Board. When called upon to participate in community service organizations, the Board shall pay the total amount of the annual membership dues.

- P. In accordance with IC 20-43-10-3.5 qualified teachers receive Teacher Appreciation Grants if they are rate Highly Effective or Effective. All requests for long-term leaves and extensions of such leaves will be made to the Superintendent in writing as soon as possible and disposition shall be made in writing. Any request for leave by the Superintendent must be made directly to the Board.

An administrator on leave should inform the Superintendent in writing not later than March of the year on leave of his/her intent to return for the following school year. Administrators may continue their insurance coverage while on leave of absence by informing the insurance department in writing, of their desire to do so and by forwarding the premiums for such insurance to the insurance department. Employment and Reemployment Act (USERA) to notify the Board of his/her intention to return to the system (see applicable Board Policy).

VII. ATTENDANCE PROCEDURES FOR ADMINISTRATORS

Administrators set the example for the rest of the staff and the students in the Lake Central Schools. The effective administrator practices regular attendance, promptness, and always keeps his secretary informed of his whereabouts. The secretary, in turn, informs the administrator's supervisor when the administrator's absence from the building or place of responsibility will be prolonged.

Administrators of the Lake Central School Corporation are expected to be on duty as necessary for the position.

By **7:00 a.m.** each morning, administrators who are to be absent or tardy for any reason shall notify via email their immediate supervisor of the length of the absence. **The Administrator shall also complete the Administrative/Instructional Coach Benefit form on their absence.** Long-term absences or pre-arranged absences can be reported in advance.

The Superintendent shall verify the appropriateness of the absence of all other administrators. The Superintendent's absence shall be reported to the Board President and the Superintendent's secretary.

Personal Business and Professional Leave days shall be arranged for in advance (at least 48 hours) except in the case of an emergency. In case of an emergency, the Superintendent or Board President, as applicable, shall verify the appropriateness of the absence.

Vacation days must be arranged in advance (2 weeks) if seeking approval for days when school is in session. A request should be submitted to the Superintendent for approval.

In school buildings which have more than one administrator assigned, absence of an administrator for School Business shall be limited to one administrator, unless the Superintendent approves multiple absences.

Any questions regarding attendance which are not answered in this administrative regulation should be discussed with the immediate supervisor before the administrator concerned takes what he/she feels to be the appropriate action.

The Board of School Trustees shall act as final arbiter in cases of disagreements and misunderstandings.

VIII. WORK DAY FOR ADMINISTRATORS

It is recognized that, in some schools, it is not always possible for principals to enjoy adequate free time for lunch. Lunch must be planned with the contingency in mind that building administrators must be available to handle telephone calls, visits from parents, and discipline problems during the lunch periods.

It is expected that all elementary school offices will be open to greet visitors until **3:30 p.m.** and telephones will be answered by a staff member. All middle school offices should remain open to greet visitors until 4:00 p.m. and telephones will be answered by a staff member. Lake Central High School should remain open to greet visitors and telephones shall be answered by a staff member until 3:00 p.m. It is the expectation that an Administrator be present in the building until the bus routes for that building have been completed. Principals have the authority to stagger the hours of administrators or secretaries to assure that the offices can be manned during this period.

IX. ALLOCATION OF SCHOOL FUNDS

The corporation will allocate up to \$15.00 per each employee so that each principal can provide luncheon(s) for their building throughout the school year.

Clothing and/or spirit wear should not be purchased with corporation dollars.

Should you have any questions regarding allocation or expenditures of school funds, please contact central office for guidance.

X. ETHICS IN BUSINESS

Any member of the staff who participates in formulation of recommendations regarding the use of an outside organization or business by the Lake Central School Corporation shall indicate any economic interest by the staff member or spouse in that organization or business to the superintendent of schools or, in the case of the Superintendent, to the Board President, prior to the time the Board considers accepting services, materials, or other assistance from said organization or business.

There should be no activity carried on by any person employed by the school corporation that could legitimately be interpreted as for the personal benefit or convenience of that person. This applies to use of staff, equipment, and all other phases of work which are vulnerable to suspicion by other employees and the general public.
