

K-12 Isolation Guidance:

If student tests positive: Positive is positive, regardless of masking or vaccination status

- Stay home for 5 days
- Return to school Day 6 if asymptomatic or symptoms are resolving and continue to mask Day 6-10 in classroom (if unable to mask properly at all times around other people, must remain isolated at home for full 10 days)
 - Symptoms must be resolving/improving, and student must be fever-free for 24 hours without medication.
 - "At all times" includes outdoors if around other people
 - May resume extracurricular activities on Day 6 if able to wear a mask properly at all times for Days 6-10, above conditions are met and cleared by physician

K-12 Quarantine Guidance: No Mask Requirement

If student is **exposed** to someone with COVID-19 in or outside the classroom, including home contacts:

- If **fully vaccinated (get students boosted as soon as they are eligible)**
 - May remain in school as long as continue to be asymptomatic
 - Wear a mask at all times in classroom for at least 10 days (quarantine ends 10 days after the last day of exposure to the positive case), test on Day 5 if possible
 - May continue extracurricular activities; mask at all times. Unmask only when actively playing or performing.
 - If symptoms develop, get a test and stay home. If positive, follow isolation guidance. If test is negative, return to school when symptoms have resolved.

K-12 Quarantine Guidance: No Mask Requirement

If student is **exposed** to someone with COVID-19 in or outside the classroom, including home contacts, continued:

- If **unvaccinated or partially vaccinated**:
 - Stay home for 5 days after the last day of exposure to the positive case; test on Day 5 if possible
 - Return to class on Day 6 if asymptomatic, wear a mask at all times in classroom for at least 5 days (quarantine ends 10 days after the last day of exposure to the positive case)
 - No extracurricular activities for 5 days of home quarantine. May resume Day 6 only if able to wear a mask at all times (including while actively performing or playing during your sporting activity) for Days 6-10. If you cannot safely mask, do not participate in the extra-curricular activity. Remember, at all times includes outdoors when around others.
 - If symptoms develop, get a test and stay home. If positive, follow isolation guidance. If test is negative, return to school when symptoms have resolved.

Enhanced Precautions: Best Practices In Schools Where Masks Are Not Required

- Enhanced precautions for those returning to school prior to full 10-day quarantine or isolation during the school day
 - Masked at all times (except when eating/drinking)
- Maintain at least 3 feet of distance between the individual returning early from quarantine and others when in the classroom.
- At least 6 feet of separation between individual returning early and others when eating or drinking
- Masked at all times on bus no exceptions.
- Continue all other mitigation strategies
- Symptom monitoring daily by parents, as needed by school staff, during the school day.
- If ANY signs or symptoms are identified while at home, student/teacher/staff should NOT come to school and should seek a COVID test.
- If symptoms develop during the school day, individual should be sent home as soon as possible to get a COVID test. If COVID test is positive, follow isolation guidance.
- If COVID test is negative, individual should remain home until they meet the criteria to return. Continue to wear a mask for at least 10 days and follow quarantine guidance if a close contact.
