*Weekly data collected Wednesdays through Tuesdays. Posted on Wednesdays (*prior week's data*) as soon as available from all schools

** ***The data for the last week has been very positive for all of our schools. We have shared this information with our Secretary of Education and officers at the Indiana Department of Health. We are hoping these officials will address***

mitigation efforts (use of masks) in light of the significant drop in student and staff illness as well as other information regarding mask policies.

Indiana K-12 schools are required to provide positive case and associated close contact information to IDOH as per Indiana Code 16-41-2 1 and [Commissioner's Order #CO-21-01](#). Indiana Code related to communicable disease [reporting of COVID -19 cases](#) is no different than reporting other communicable diseases such as chicken pox or measles. This is completed at the building level as cases occur and quarantined individuals have been determined.
