Rebecca Gromala
Director of Student Services

We are seeking donations for emergency "buckets" for each classroom in the Lake Central School system. Each bucket will contain items that would aid teachers if they are caught in a lockdown situation.

For example, during our active shooter scare in September, students and teachers were kept in their rooms for over 5 hours and supplies were needed during that time. If we had those supplies already in the classroom, it would have made the situation more comfortable for all.

Lake Central will need around 800 buckets to cover classrooms in our 10 schools, our transportation center, and Central Office. We estimate each bucket to cost around \$45 and we will advertise your name or organization on our website and marquee. You can also donate funds towards the cost of a bucket.

Any buckets or funds that you can donate would be greatly appreciated

To make your donation, please click on this link:

<https://lcschs.revtrak.net/Donations/lcsc-bucket-donations/#/list>

Thank you for considering this donation for our students.
