

# INFORMATIONAL/HANDS-ON KINDERGARTEN MEETING

The purpose of this meeting is to provide helpful tips and a variety of suggestions on how you can help your child be best prepared for Kindergarten. We will give insight to what a day of Kindergarten will be like and what you and your child can expect. Information about open building day, bus orientation, registration and much more will be discussed. Adventure Club (before and after school care) will be there with information as well as PTO/HSA representatives from each school to introduce ways you can be involved in various events throughout the school year.
