- Nicole Kelly: Congratulations to all of our recipients this evening. So many. So great to see that. Also going to give a shout out to the girls tennis team. I was told that for the first time in Lake Central history that they not only cinched the number one spot in the DAC, but also were undefeated within the conference. So, kudos to our girls on that team and to our coaches, Ralph Holden and Joe.

- Louise Tallent: We had a lot of recognitions tonight. All of them were really wonderful and just thank you to all the parents and the staff and of course the students for their energy that they put into all the extras that were seen this evening. And also just another shout out to the school and the town collaboration concerning soccer because we are able to include the middle school schools in a soccer program and there's also the Dyer Kickers, they are having a 50th anniversary on May 31st at Central Park. So, that affects quite a few kids.

- Cindy Sues: I would just like to add that we had our DFS Awards night. We gave away 72 scholarships to graduating seniors. And, congratulations to our 2025 graduates.
