Mr. G's Social Studies Class

Grimmer Middle School really appreciates Mr. Greanias and how he makes Social Studies relevant and rigorous on a daily basis.

Mr. G made learning Social Studies a really fun experience, he always had creative and fun activities - Finley Golder

Principal's Message for September

I would like to sincerely thank everyone for being flexible as we lost power last Monday. Most of the students I spoke with told me they actually had fun under the circumstances. Still, it made for an unusual day which can stress us out as parents. We got through it. It's good to have the lights and the AC back on.

I am really enjoying getting to know the students and staff here at Grimmer. We've got some fun Connect Four games going at lunch. We're having a lot of fun on Fridays with music playing during passing periods. Each Friday has a theme. I'm popping into classrooms daily, and I'm really impressed by how hard everyone is working. We are off to a great start.

September tends to be a transition month. August is *back to school* which comes with a lot of excitement. But in September, we get into the routine of doing school. Classwork, quizzes, projects, and essays. September is when it really sets in that summer vacation is over. That's not just a tough transition for the students, it challenges us staff as well. Summer vacation is fun. But the pursuit of knowledge is an adventure that lasts a lifetime.

With all of that being said, a couple of friendly reminders:

- Tutoring begins September 6 at 8:00 AM
 - Tutoring runs every Tuesday and Thursday from 8:00 - 8:30 AM
 - This is a great time to get help from your teacher!
- You can check your child's grades on Skyward
- You can check your child's assignments on Canvas
- Your child can most likely show you how to access both Skyward and Canvas

Thank you,

W. Ryan Bounds
