

DAILY ANNOUNCEMENTS

Tuesday, January 31, 2017

Science Olympiad: There will be no practice this Thursday February 2nd. Mrs. Zollman or Mrs. Kelly will be in the Science Olympiad room every day Monday through Friday from right after school to 5:30pm. This will be the practice Schedule from now until the 17th of March. All team members need to come to three days of practice a week.

Current 7th grade students: Today is the LAST day to sign up for Washington DC with a price discount. You can always sign up after, but you will have to pay an extra \$70. We have 35 students signed up for the trip already, but the more the merrier! See Mrs. Kwiecinski in room 121 for flyers or email at kkwiecin@lcscmail.com. Thanks!

Kahler's Penny War runs from Monday through Friday of next week! Penny Wars is a charitable fundraiser sponsored by Lake Central Dollars for Scholars. The money that our school brings in is given as scholarships to kids who went to our school, are graduating this year, and are going on to college or trade school. Students can bring in money (any form, including checks payable to "Dollars for Scholars") and place it in jars that will be in their homeroom classrooms. After the money is counted, a daily traveling trophy with prizes will be awarded to the top class in each grade.

From the library: Have you seen the bulletin board in the library? Stop in to see what books your teachers are reading. Teachers love to read too!

LC Softball Skills Clinic: Sign up online at www.lakecentralcamps.com or with a registration form available in the office by 2/13/17. Cost is \$50 for the 2 day clinic and includes a t-shirt. Camp will take place on Monday 2/20/17 and Friday 2/24/17 in the LC Fieldhouse.

Voss's Corner: Mrs Voss now has a Paper Planes book - Fold and Fly Amazing Planes. She still has a flower shaped diamond earring, the Tinkerbelle bracelet, the books "The Raft", "Diary of a Wimpy Kid", "The Infinite Sea.", plus a small gray and white striped bag with contacts/glasses, two pairs of black framed glasses, and two wallets.

Calling all LC Scientists: This year's science fair will be held on Saturday, April 8th. If you are interested in completing a project either by yourself or with a partner, please see your science teacher for information. Registration for individual projects must be completed online between February 1st and March 17th. If you are a group project, each member needs to fill out a paper form and turn in to your science teacher no later than March 17th. Kahler cash will be given to those in attendance at the fair. If you have any questions please ask your science teacher or Ms. Gravely. Happy experimenting!!
