We are having a contest for the March Madness NCAA Basketball Tournament. On April 8th, any student that purchases a lunch on that date, can guess the amount of beads in the containers on the lines. Four students who guess correctly, or close to the number will be given a new basketball. The basketballs are on the lines for the students to see, along with information about the contest.

To be eligible to attend the Young Hoosier voting party, students must pass the AR tests for at least five YH books by Friday, April 26th. Mya Warner is the only student so far who qualifies to vote. Gabriella Arroyo, Victoria Parashchak, Ivy Ogrizovich and Macy Morris only need to read one more YH book to attend the voting party. There’s a list posted in the library if you would like to double check how many Young Hoosier books you’ve read. Keep reading!
