Kahler Book Club: This book club is open to all grade levels. We will meet on Friday, February 28th and Friday, 3/6 at 8:00am in the library. The book we'll be reading is Big Game by Dan Smith. 13-year-old Oskari is sent into the cold wilderness of his remote mountain village on an ancient test of manhood. If he succeeds, whatever animal he kills will symbolize who he will become. But the idea of spending a night alone in the forest makes him queasy, and the ceremonial bow he has to use is too big for him. Soon after he sets out, Oskari comes across a strange creature in the woods, emerging in eerie blue light from a smoking steel pod. He assumes it's an alien, until the figure introduces himself as the President of the United States. Air Force One was sabotaged and has crashed, and the President is running for his life. Will Oskari be brave enough, strong enough, and smart enough to save the President and himself? The reading level is 5.3 -- 9.0 points. The first 10 students who return a signed permission slip by Friday, February 21st will be able to participate in the book club. See Ms. Wells in the library for more information and a permission slip if you're interested in joining.

- Thursday, February 13th a student jumped out of her car to help one of our paraprofessionals walk to the front door when she saw she was struggling on the ice.
- Friday, February 14th a student found money and was honest and turned it into the office.

Anyone needing to see the nurse must have a pass from their teacher. You may NOT come during the passing period.

-There is a lot of nice jewelry in the lost and found. Please come to the office if you are missing anything.

-We have a very nice set of markers that have been turned in.

**Students are no longer allowed to decorate lockers for Birthdays. Any questions please come to the office.**
