### **Eighth Grade Lunch Book Club!**

We will meet once every month to discuss a book during the eighth grade lunch period while we eat. These books are going to come from the public library. We will start at the end of September. Coming soon, you can pick up a copy of the first book *Ashfall* from Miss Chavez (and later Mrs. Lambert), Mrs. Erdelles, or Mrs. Bloom-Johnson. These books are on loan from the Lake County Public Library and must be returned in good shape the day of them book club. We will meet on the day of the book club in the teacher's lounge to discuss the book and turn it in. Then there will be a date given when the next book is available for pick-up. Our first book and date is listed below. The book will be available for pick up soon--stay tuned!

**Friday, September 24, 2021--*Ashfall* by Mike Mullin**

**Science**

After the eruption of the Yellowstone supervolcano destroys his city and its surroundings,

Alex must journey from Cedar Falls, Iowa, to Illinois to find his parents and sister. He must also try to survive in a transformed landscape and a new society in which all the old rules of living have vanished.

### Book Club - ANY 7th Grader

**How to join:** At the beginning of the month, get a copy of the book from Ms. Rose at the library. Then, on the last Tuesday of every month, meet in the library after getting your lunch (you can jump to the front of the lunch line) to discuss the book. You *must* return the book at the meeting (or sooner if you finish it earlier) and it must be in good shape. We are borrowing the books from the public library and need to return them in the shape we got them.

**NOTE:** While you are welcome to come every month, if you don't want to, you can just come the months the books interest you.

### Tuesday, September 28: *Scythe* by Neal Shusterman Sci-Fi

A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control.

Citra and Rowan are chosen to apprentice to a scythe—a role that neither wants. These teens must master the “art” of taking life, knowing that the consequence of failure could mean losing their own

Last night the Kahler Kolts came away with an impressive victory defeating the Hammond Eggers 24 to 12. Abraham Gomez had three rushing touchdowns and also recovered a fumbled kick to lead the way for the Kolts. Tough running and good defensive play by Dylan Scanlon helped the Kolts out as well. Larry Oar kicked three crucial extra points. Special shout-out to Davin Rodriguez for stepping up at quarterback. Matt Kafka and Kellen James also had strong performances in the victory.

Last night the girls cross country team ran in their first non-conference meet of the season. It was a hard fought battle with Benjamin Franklin, but in the end Kahler came up just short of the win. The following girls scored points in the close battle.

Poortenga, Madison
Bonchik, Lexi
Ley, Daniela
Blair, Addison
Eggebrecht, Allie
Quiroga, Sophie
Rieger, Lilah

Nearly every girl on the team ran fast enough to set a new personal best time. The runners of the meet were:

Elyse Ryan and Emma Alegria. Both girls dropped more than 6 minutes from the previous best time. AMAZING effort by both girls!!!

**Our boys' XC team lost a close one last night to Valpraiso Ben Franklin. The difference was 14 seconds over a 3,000 meter race.**

- **Matt Newton was the top Kahler runner with a season opener of 10:54.**
- **Sean Crimmins was #2 scorer in 11:32**
- **Isaac Ochoa was #3 in 11:54**
- **Ryan Mikolanis was #4 in 11:57**
- **Evan Eggebrecht was #5 in 12:38**
- **Noah Thompson & Christian Totoriello were runners 6 & 7**

**Complete results already posted outside Coach Langlois' room.**
