### **Eighth Grade Lunch Book Club!**

We will meet once every month to discuss a book during the eighth grade lunch period while we eat. These books are going to come from the public library. We will start at the end of September. Coming soon, you can pick up a copy of the first book *Ashfall* from Miss Chavez (and later Mrs. Lambert), Mrs. Erdelles, or Mrs. Bloom-Johnson. These books are on loan from the Lake County Public Library and must be returned in good shape the day of them book club. We will meet on the day of the book club in the teacher's lounge to discuss the book and turn it in. Then there will be a date given when the next book is available for pick-up. Our first book and date is listed below. The book will be available for pick up soon--stay tuned!

**Friday, September 24, 2021--*Ashfall* by Mike Mulli Science Fiction**

After the eruption of the Yellowstone supervolcano destroys his city and its surroundings,

Alex must journey from Cedar Falls, Iowa, to Illinois to find his parents and sister. He must also try to survive in a transformed landscape and a new society in which all the old rules of living have vanished.

### Book Club - ANY 7th Grader

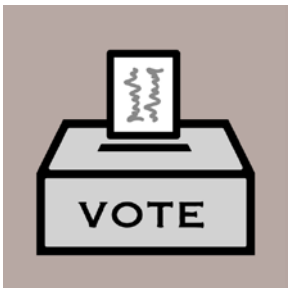

**How to join:** At the beginning of the month, get a copy of the book from Ms. Rose at the library. Then, on the last Tuesday of every month, meet in the library after getting your lunch (you can jump to the front of the lunch line) to discuss the book. You *must* return the book at the meeting (or sooner if you finish it earlier) and it must be in good shape. We are borrowing the books from the public library and need to return them in the shape we got them.

**NOTE:** While you are welcome to come every month, if you don't want to, you can just come the months the books interest you.

### Tuesday, September 28: *Scythe* by Neal Shusterman Sci-Fi

A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control.

Citra and Rowan are chosen to apprentice to a scythe—a role that neither wants. These teeki hi ns must master the “art” of taking life, knowing that the consequence of failure could mean losing their own

Anyone (5th through 8th grade) who is interested in becoming a Kahler Student Council Representative should follow the directions from the advisory slideshow-be sure to fill out the Google Form. Speeches should be made to advisory classes by Friday, 9/10. If you have any questions, please see Mrs. Kwiecinski or Mrs. Wydrinski
