Would you like the opportunity to win a free book? If so, guess who the Kahler reader is. Go to K Hall and across from Mrs. LBJ's room is a yellow bulletin board where you can guess. This reader works in the front office and has a yorkipoo named Penny. This person also loves the following books: Charlotte's Web, Goodnight Moon, and Harold and the Purple Crayon. Make a guess on who this reader could be by the end of the month, and you could win a book of your choice.

~~The Kahler Theatre Company is excited to announce auditions for "All Together Now" This musical revue features songs from hit Broadway shows such as Hairspray, Beauty and the Beast, Mamma Mia!, Annie, and High School Musical to name a few. All you need is you!~~
Auditions are open for any 5-8th grade who loves to sing and perform- just record yourself singing your favorite Broadway song and submit the video, along with the Google Form by Friday, September 17th. Spots are open for small and large group numbers as well.

as featured on the site. The performance will be live-streamed on November 18th. If you have any questions, please email Ms. Plaz in room 100 or Nurse Kelly.

Any Kahler eighth graders who like to read, please consider coming to our

Eighth Grade Lunch Book Club!

We will meet once every month to discuss a book during the eighth grade lunch period while we eat. These books are going to come from the public library. We will start at the end of September. Coming soon, you can pick up a copy of the first book *Ashfall* from Miss Chavez (and later Mrs. Lambert), Mrs. Erdelles, or Mrs. Bloom-Johnson. These books are on loan from the Lake County Public Library and must be returned in good shape the day of them book club. We will meet on the day of the book club in the teacher's lounge to discuss the book and turn it in. Then there will be a date given when the next book is available for pick-up. Our first book and date is listed below. The book will be available for pick up soon--stay tuned!

Friday, September 24, 2021--*Ashfall* by Mike Mulli Science Fiction

After the eruption of the Yellowstone supervolcano destroys his city and its surroundings, Alex must journey from Cedar Falls, Iowa, to Illinois to find his parents and sister. He must also try to survive in a transformed landscape and a new society in which all the old rules of living have vanished.

Book Club - ANY 7th Grader

How to join: At the beginning of the month, get a copy of the book from Ms. Rose at the library. Then, on the last Tuesday of every month, meet in the library after getting your lunch (you can jump to the front of the lunch line) to discuss the book. You *must* return the book at the meeting (or sooner if you finish it earlier) and it must be in good shape. We are borrowing the books from the public library and need to return them in the shape we got them.

NOTE: While you are welcome to come every month, if you don't want to, you can just come the months the books interest you.
