For March, Prepared is the focus for Student of the Month. At the end of the month, teachers will nominate those students who have been the most prepared EVERY day. One student per grade level will earn \$10 Kahler Cash and a \$10 gift card (Target or Amazon). All nominees will have their names read in the announcements.

Hello Eighth Graders. March's lunchtime book club book is *The War that Saved My Life* by Kimberly Brubaker Bradley. It is historical fiction. The synopsis is below.

"Ada has never left her one-room apartment. Her mother is too humiliated by Ada's twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn't waste a minute—she sneaks out to join him.

So begins a new adventure for Ada, and for Susan Smith, the woman who is forced to take the two kids in. As Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother?"

If this sounds like a good book to you, grab a copy from Mrs. LBJ in room 143. We will be meeting March 31 in the teacher's cafeteria to discuss it.

7th grade book club: This month, the book is *The House in the Cerulean Sea*.

Linus Baker leads a quiet, solitary life. At forty, he lives in a tiny house with a devious cat and his old records. As a Case Worker at the Department in Charge Of Magical Youth, he spends his days overseeing the well-being of children in government-sanctioned orphanages.

When Linus is unexpectedly summoned by Extremely Upper Management he's given a curious and highly classified assignment: travel to Marsyas Island Orphanage, where six dangerous children reside: a gnome, a sprite, a wyvern, an unidentifiable green blob, a were-Pomeranian, and the Antichrist. Linus must set aside his fears and determine whether or not they're likely to bring about the end of days.

But the children aren't the only secret the island keeps.

If this seems like something you'd be interested in, grab a copy of the book from Ms. Rose in the library. On Tuesday, March 29 join us in the library during lunch to eat and discuss the book. Any and all 7th graders are welcome! If you have questions, see Ms. Lambert in room 139.
