The Book Fair Is Coming!!!!

Dear Parents & Families:

I'm excited to announce that our school will be hosting a Scholastic Book Fair, which will take place on Monday, November 7th through Friday, November 11th.

The Scholastic Book Fair empowers our students to choose books they love, and with so many options. This year's Fair is going to be epic, but we need your help to make it happen. If you're available to lend a hand at this upcoming event, please contact me at rlary@lcscmail.com and let me know your availability.

For Students, this is one of the most anticipated events of the school year - and as a volunteer, you'll have the chance to experience the Bookjoy firsthand!! I look forward to hearing from you.

Sincerely,

Ms. Rose

Sixth grade book club books are in for the November Book Club. Stop in and see Ms. Rose in the library for copies of *When You Reach Me* by Rebecca Stead. We will meet on November 22nd, in Room 178 (Library Classroom) during sixth grade lunch to discuss on November 22nd. Below is a synopsis of what the book is about. If you are interested, pick one up from the library, and we will see you on November 22nd.

By sixth grade, Miranda and her best friend, Sal, know how to navigate their New York City neighborhood. They know where it's safe to go, like the local grocery store, and they know whom to avoid, like the crazy guy on the corner. But things start to unravel. Sal gets punched by a new kid for what seems like no reason, and he shuts Miranda out of his life. The apartment key that Miranda's mom keeps hidden for emergencies is stolen. And then Miranda finds a mysterious note scrawled on a tiny slip of paper:

I am coming to save your friend's life, and my own.

I must ask two favors. First, you must write me a letter.

The notes keep coming, and Miranda slowly realizes that whoever is leaving them knows all about her, including things that have not even happened yet. Each message brings her closer to believing that only she can prevent a tragic death. Until the final note makes her think she's too late.

Seventh grade book club books are in for the month of OCTOBER. Stop in and see Ms. Rose in the library for copies of *The Dollhouse: A Ghost Story* by Charis Cotter, a perfect spooky read for October. We will meet in room 178, the Library classroom to discuss on October 25th. Below is a synopsis of what the book is about. If you are interested, pick one up from the library, and we will see you on October 25th.

A creepy, mysterious dollhouse takes center stage in this atmospheric middle-grade mystery for fans of *Doll Bones* and *Small Spaces*.

Alice's world is falling apart. Her parents are getting a divorce, and they've canceled their yearly cottage trip -- the one thing that gets Alice through the school year. Instead, Alice and her mom are heading to some small town where Alice's mom will be a live-in nurse to a rich elderly lady.

The house is huge, imposing and spooky, and everything inside is meticulously kept and perfect -- not a fun place to spend the summer. Things start to get weird when Alice finds a dollhouse in the attic that's an exact replica of the house she's living in. Then she wakes up to find a girl asleep next to her in her bed -- a girl who looks a lot like one of the dolls from the dollhouse . . .

When the dollhouse starts to change when Alice isn't looking, she knows she has to solve the mystery. Who are the girls in the dollhouse? What happened to them? And what is their connection to the mean and mysterious woman who owns the house?

Eighth grade book club books are in for the month of OCTOBER. Stop in and see Ms. Rose in the library for copies of *Dread Nation* by Justina Ireland, a perfect spooky season read featuring zombies. NOTE: This time the lunch time book club will be in the library conference room where the acoustics are far better. Below is a synopsis of what the book is about. If you are interested, pick one up from the library, and we will see you on October 27th.

Jane McKeene was born two days before the dead began to walk the battlefields of Gettysburg, Pennsylvania—derailing the War Between the States and changing the nation forever.

In this new America, safety for all depends on the work of a few, and laws like the Native and Negro Education Act require certain children attend combat schools to learn to put down the dead.

But there are also opportunities—and Jane is studying to become an Attendant, trained in both weaponry and etiquette to protect the well-to-do. It's a chance for a better life for Negro girls like Jane. After all, not even being the daughter of a wealthy white Southern woman could save her from society's expectations.

But that's not a life Jane wants. Almost finished with her education at Miss Preston's School of Combat in Baltimore, Jane is set on returning to her Kentucky home and doesn't pay much mind to the politics of the eastern cities, with their talk of returning America to the glory of its days before the dead rose.

But when families around Baltimore County begin to go missing, Jane is caught in the middle of a conspiracy, one that finds her in a desperate fight for her life against some powerful enemies.

And the restless dead, it would seem, are the least of her problems.
