Why are we here?

- To provide families information about communications and expectations for the season to better avoid conflicts and problems.
- Review Specific Team Rules
- Open lines of the Parent/Coach communication process

Athletic Philosophy

- Athletics is a part of the total **educational** program experience.
- This should be a positive experience.
- Being an athlete is a privilege not a right.

Coach & Parent Communication

- **Communication You Should Expect From Your Child's Coach :**
 - Team guidelines (rules) regarding: practice, attendance, physical appearance, and lettering policy
 - Practice Schedule with locations and times of all practices and contests.
 - Transportation guidelines
 - Team requirements, i.e., fees, special equipment etc...
 - Procedures should your child be injured during the participation
 - Hazing policy
- **Communication Coaches Expect from Parents:**
 - Notification of any schedule conflicts well in advance.
 - Any concerns expressed directly to the coach.
 - Specific concerns in regard to a coach's philosophy and or/expectations.
- **Appropriate Concerns to Discuss with Coaches:**
 - The treatment of your child, mentally and physically.
 - Ways to help your child improve.
 - Concerns about your child's behavior.
 - We understand that it is very difficult to accept your child not playing as much as you may hope. Coaches are professionals and they make judgment decisions based on what they believe to be best for their teams and all students involved. As you have seen from the list above, certain things can be and should be discussed with your child's coach. Other things must be left to the discretion of the coach.

Coach & Parent Communication (cont.)

- **Issues Not Appropriate to Discuss with Coaches:**
 - Playing time
 - Team strategy
 - Play calling
 - Team Placement
 - Other student-athletes
- **Procedures if you have a Concern to Discuss with the Coach:**
 - Call to make an appointment with the coach. Our athletic website <http://athletics.lcsc.us/> has a complete coaches directory.
 - Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent and the coach. Meetings of this nature do not promote resolution.
 - If the meeting with the coach did not provide a satisfactory resolution contact the athletic director, Mr. Enyeart at 219-365-8551 extension 2051 to make an appointment.
