INDIANA MADE

The values that made Indiana made us There's something we've realized after three generations in Indiana. The people of Indiana are truly special. This won't come as news. But it's something that needs to be recognized. And there's also something special about the values we share. Values like loyalty, hard work, self-reliance, genuineness and gratitude. These are the values that built institutions and businesses like Strack & Van Til—where you find you're treated with kindness and respect. Indiana's quiet greatness is in the people and in the values we share. And it's in Strack & Van Til. We're Indiana's grocery store. And we're Indiana made. INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION, INC.

1903 – Present

Welcome to this IHSAA event. The IHSAA hosts tournaments that are spread over 22 sports - 10 for boys and 10 for girls and two co-ed (unified track and field and unified flag football). Approximately 160,000 boys and girls in Indiana high schools will participate this year in IHSAA sports.

We appreciate your support of our young people participating in this event. They have devoted much of themselves in preparation for the contest. Whether they win or lose, they will have gained much from their efforts. Please help to make their experience more positive by exhibiting good sportsmanship during your attendance.

Sportsmanship Expectations: We ask the following be reflected toward the competitors, the IHSAA assigned officials, coaches, tournament administrators, and spectators:

- Treat everyone with the utmost respect regardless of race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in any of its activities or operations.
- Promote a welcoming environment by avoiding hostility toward opponents and their fans.
- Refrain from the use of profanity and vulgarities at all events.
- Respect all facilities and every person that contributes to the production of athletic contests by refraining from throwing objects onto the field or court and/or leaving objects in the stands.
- Create the loudest and most positive atmosphere possible when attending interscholastic events while maintaining full support for your school and their student athletes.

Security: To ensure the safest and most secure atmosphere for our IHSAA events, tournament management will diligently maintain established security procedures and activities. This will require complete cooperation by all competing teams, contest officials and fans. Security will always have priority over convenience; therefore, all individuals are requested to promptly cooperate with event personnel in any manner. Your assistance will enable tournament staff to fulfill its responsibilities efficiently.
