# What is PtE?

- PtE stands for **Pathways to Excellence** (the corporation motto)
- PtE is a 90 minute class that takes place two times per week that is made up of two parts.
- The first part is the class specific Class Seminar by grade (30 minutes), the second is the Academic Assistance (60 minutes).
- During Academic Assistance, students can go seek out tutoring from any of their teachers. In addition, teachers can direct students to attend their academic assistance in order to make up assessments and assignments.
- Last year (16-17 School Year) our 3,250 students signed up for academic assistance 35,356 times (an average of 10.9 times per student).

# Class Seminar Themes (First 30 minutes of PtE)

- **Freshmen Seminar - Preparing for College and Careers (PCC).** PCC addresses the knowledge, skills, and behaviors all students need to be prepared for success in college, career, and life. The focus of the course is the impact of today's choices on tomorrow's possibilities. This course includes reviewing the 16 national career clusters and Indiana's College and Career Pathways, in-depth investigation of one or more pathways, reviewing graduation plans, developing career plans, and developing personal and career portfolios. **The goal of this class is for students to have a better idea of what career they would like to pursue and understand the process to attaining success in that career.** Students earn 1 semester of credit after completing all assignments and assessments over the course of the school year.
- **Sophomore Seminar - ISTEP Preparation.** As the ISTEP is the Graduation Qualifying Exam, the Sophomore Seminar presents typical ISTEP test questions coupled with instructional videos that demonstrate how to correctly answer the questions. **The goal of this seminar is to better prepare our students for the ISTEP so they can meet with better success.**

# Class Seminar Themes (First 30 minutes of PtE)

- **Junior Seminar - PSAT/SAT Preparation.** During a student's junior year, our students will take both the PSAT (October) and the SAT with Writing (April). In this seminar students will work on SAT "questions of the day" and work on the Khan Academy to prepare for both of these exams. We will provide questions of the day and provide benchmarks of where students should be in their preparation for both exams. Students work at their own pace in this seminar. As the ISTEP test measures the same standards, this is also a great way for students to prepare for the ISTEP if (again if) they need to retake the test from sophomore year. **The goal of the Junior Seminar is to better prepare our students for their college entrance exam, giving them a competitive advantage when applying to colleges and universities.**
- **Senior Seminar - Transitioning to College and Careers.** The focus of the Senior Seminar is to communicate, guide, assist and submit all requirements needed for either college application, scholarship application, apprenticeship application or job application for our senior students. This will happen through class meetings, counselor visits, and career fairs. **The goal of the Senior Seminar is to seamlessly transition senior students to their future college and careers.**

# CANVAS

# Canvas for Parents

Lake Central School Corporation's  
Learning Management System

# What do I need to know about Canvas?

Canvas does not replace Skyward. Skyward is still where grades will be posted.

Canvas allows parents to view assignment due dates, upcoming tests/quizzes, teacher announcements, and what is being covered their child's classes via the teacher's homepage and calendar.

While parents are not obligated to join Canvas, it is encouraged. If you have questions about due dates or missed work when your child is absent or, for example, if you choose to go on vacation during the year. If your student often forgets to write down assignments or upcoming test dates, we highly recommend joining Canvas.

The directions on the following slides will show you how to register as a parent to view your child's classes.

## Account Settings

From any page on the site, you can click My Account in the upper right corner. Here, you can update settings like your contact information and check the "Show Google Translator in Family Access" box if you'd like to use the translator on the site. (The translator is located beneath My Account on the home page).

In My Account you can manage your email notification preferences. You can choose to receive various attendance, grade, progress report, and low food service balance notifications. You can also manage the frequency of these alerts and the method through which you receive them (Family Access or email).

**Email Notifications**

Receive Daily Attendance Notifications for my student(s) by Email and Wall Message

These are only available for your students who are enrolled at Skyward High School.

Receive Grading Emails for my student(s) ?

Assignment/Class Percent Overrides (if blank, the School default low and/or high percent will be used):

Low:  High:  for MADALYN BOWMAN, DAVID AASE, SUSAN BOULEY and MARY JONES

Receive Progress Report Emails for my student(s)

Daily  Weekly (every Saturday)  Monthly (1st of each month)

These are only available for your students who are enrolled at Skyward High School.

Receive Emails when Food Service Balance is under \$3.00

At the bottom of the page, you can update which of your and your children's personal information can be shared in the school directory.

Add Family with MADALYN BOWMAN, DAVID AASE, SUSAN BOULEY and MARY JONES to the School Directory

**What information would you like to display for this family?**

## Checking Grades

When you log in to Family Access, you will see the Gradebook tab displayed on the left side of your screen. Click this tab, and then select a child from the dropdown bar at the top of the page.

Important notifications, such as missing assignments, will be displayed at the top of your screen in red text.

Below the notifications is a list of your child's classes and grades by term. To select a different term, go to Display Options. Information about GPA and class rank can be found to the right of Display Options.

# Checking Grades 2 of 2

Back on the main Gradebook, you can click any course title to view information such as lesson plans, if the teacher has included them.
