# Naviance Family Connection

*Tying academic achievement to postsecondary goals.*

Please click on the link below for a brief  
Naviance introduction:

<http://vimeo.com/46032210>

# How to Get Started

- All LCHS students have an established Naviance account
- All students will receive a card with their Naviance registration code in their English class
- Access your account at (this address will be on the card you receive):  
<https://connection.naviance.com/family-connection/auth/login?hsid=lakechs>
- The first time you access your account, you will have to use the registration code on the card that you received
- Use your email address as your username. You can use your own personal email or use your new LCHS Student email as your username.
- YOUR LC EMAIL IS THE EMAIL NOW IN NAVIANCE. IF YOU HAVE SYNC'D AN EMAIL WITH THE COMMON APP, USE THAT EMAIL AS YOUR USERNAME AND CHANGE YOUR EMAIL IN NAVIANCE UNDER THE "MANAGE MY ACCOUNT" TAB.
- The family connection website is also accessible via RDS Student Access

## Welcome Message

The Lake Central High School Guidance Department operates under the general philosophy that all students are entitled to individual assistance and guidance throughout their high school career. The primary role of the counselors is to serve as a link between the individual student and the mass educational institution. In fulfilling this commitment, counselors will:

- Be available to all students for vocational and personal counseling
- Serve as a contact between home and school regarding educational and personal problems confronting students
- Work closely with teachers in helping students themselves and their environment, both present and future
- Assume responsibility for seeing that students meet graduation requirements
- Have responsibility for in-school placement of students
- The teachers first referral for students having problems

Be sure to look at the pages to the left. There is a wealth of information about colleges, military, post high school athletics, and career planning.

Career clusters are a way of grouping careers with common features and skills. Careers grouped into the same cluster typically require similar education and training. Exploring clusters can be a useful way to find a good career match, especially if you have general areas of interest but are not sure what specific careers match those interests. Career clusters can also help you better understand how your coursework in school can prepare you for certain types of careers.

### Job Description

- Perform engineering duties in planning and designing tools, engines, machines, and other mechanically functioning equipment. Oversee installation, operation, maintenance, and repair of equipment such as centralized heat, gas, water, and steam systems.

### Interests

- **Holland Interest Code: IRC**

- **Investigative**

Investigative occupations frequently involve working with ideas, and require an extensive amount of thinking. These occupations can involve searching for facts and figuring out problems mentally.

- **Realistic**

Realistic occupations frequently involve work activities that include practical, hands-on problems and solutions. They often deal with plants, animals, and real-world materials like wood, tools, and machinery. Many of the occupations require working outside, and do not involve a lot of paperwork or working closely with others.

- **Conventional**

Conventional occupations frequently involve following set procedures and routines. These occupations can include working with data and details more than with ideas. Usually there is a clear line of authority to follow.

### BUILD YOUR RESUME

Add new entries to your resume by selecting a type of entry from the menu below. If you're not sure what information to provide, you can select an entry type and read the tips displayed. When printing your resume, you can choose which entries you want to display, so we encourage you to add as much information as possible.

You haven't created any resumes yet. Let's get started!

Using the Resume Builder, you can tell us everything about yourself. Then, rearrange your information into multiple printable versions that you can use for whatever you need! The Resume Builder has just 3 easy steps:

1. Add entries
2. Rearrange the contents
3. Save and print!

Make a selection to start building your first resume!
