This organization provides supplies to care for infants and toddlers of local families that are struggling. They help 50 to 80 area children on average each month and are in need of supplies! Please drop items such as wipes, diapers, infant clothing, and blankets in the donation box near Door A. Any donations are appreciated. There will be a raffle for a prize for those who donate! Please see Mrs. Schmidt in Room D205 with any questions.

St. Baldrick's: For most of us, life has changed... What hasn't changed? Kids still need cures for cancer. Hope cannot be put on hold. The fight against kids' cancer has gone virtual.

St. Baldrick's is a foundation that has been raising funds for pediatric cancer research since 1999. Due to the pandemic, the foundation and LC have shifted our event to be "virtual". This means there is no large assembly and all participants will be shaving from their own home or a salon/barbershop of their choice. Our event will take place via zoom on March 17th starting at 5:30 p.m. and last approximately 1 hour.

How you can help-

1) Donate to any participant's page <https://www.stbaldricks.org/events/LCHS2021>

2) Join to shave your head live or donate your hair (hair donations need to be at least 10" from a ponytail or braid) Family members can sign up as well!

3) Spread the word to family and friends!

Please see Mrs. Ohlenkamp in room C333 if you have any questions.
