### **ISTEP**

Part 2 of ISTEP is quickly approaching. Students will take practice tests April 10—11, and the actual test will be given April 18—27. If your child is in 3rd or 4th grade, please **do not** schedule anything that would require them to miss school. It is important for us to have all students present for testing unless they are sick. Students stand the best chance of success when they test with their class on their scheduled days.
