Wildlife Educational Exhibit

On the morning of October 31 students at Bibich were able to visit a fascinating Wildlife Educational Exhibit which was set up in our library. The exhibit is free and relies on donations and sponsors to purchase new or fix current exhibits. This Wildlife Educational Exhibit goes to schools, churches, clubs, and public events to educate the public about the wildlife we have in Northwest Indiana.

If you wish to make a donation, checks may be made out to "Wildlife Educational Exhibit of Northwest Indiana". Cash is also accepted. Please place in an envelope labeled "Wildlife Educational Exhibit".

Please note the date change for the 1st Grade Vision Screening. The new date will be Wednesday, November 29.
