

Bibich Elementary Cap & Lid Collection

Help us celebrate Bibich's 40th
Anniversary!!

2018 marks 40 years since Bibich first began enriching the lives of thousands of students. We would love to commemorate this special event with a bench to be placed in front of the school. These benches are made from recycled bottle caps and lids. We hope you will help us out and be part of this momentous occasion for our school. Start bringing in your caps and lids now!!!

Thanks for your support!!!!

Each class will have a designated collection container for caps and lids. Please rinse off caps/lids if they contain food. If you are unsure about an item, please send it in with your child and we will determine if it's acceptable. The **grade that collects the most caps/lids will win **extra recess time!!** We will collect caps/lids until we have reached our goal of 500 pounds of caps/lids. Ask your family, friends and neighbors for help. Thanks again for your commitment to this cause and our school!
