

Bibich Elementary

MAY 20, 2022 - Last Edition

Random Acts of Kindness

This week's Random Acts of Kindness winners are: Ava Ballard, Clara Frohnapple, Audrey Johnson, Claire Renfroe, and Emry Whiteman. Great job everyone!!!!

Report Cards

Report Cards can be viewed online through Skyward beginning Thurs., May 26. If your child will be participating in Tri-Town Raiders, please save a copy for registration. If you are having difficulty accessing the report card, please contact our tech department at hotline@lcscmail.com.

Important Dates:

May 23 Last STUDENT day

May 24 Last TEACHER day

May 31 -

June 23 Summer School at Protsman - **Mon. - Thurs. 8:00am - 11:00am**

Aug. 11 First Day of 2022 - 2023 School Year

PTO NEWS

We had a very successful dine-out night at McDonald's, earning \$310! Thank you to all the families who came out in support and a huge shout-out to the wonderful teachers who volunteered to make this event a success.

Thank you to all the parents who have volunteered this year to make all of our PTO activities hugely successful and thank you for all the love and support that has come our way.

Happy Retirement

Mrs. Logan and Mrs. Torres

Mrs. Logan

Mrs. Logan is retiring after 33½ years in education. Her teaching career has included 3 years in Louisiana, 1 year in a Chicago Catholic School, 13 years teaching in grades 1, 2 and 3 for Lake Central before accepting her first principal position in 2005 at Beiriger Elementary in Griffith. She came back to us in 2009 when she was hired as the principal of Bibich Elementary. Since that time, she has brought insight, organization, inspiration, joy, contagious laughter, and a presence that is much more of a friend than a colleague to the elementary administration team. She is well respected in our corporation and loved by anyone who has had the pleasure of getting to know her. Mrs. Logan and her husband, Phil, are excited to finally move to their retirement home in Crawfordville, Florida with their daughter, Sara.

Mrs. Torres

Mrs. Torres, a graduate of Lake Central, has been serving the students and families of Lake Central since 1994. She started as a West Lake Parent Mentor and continued in that position until 1999. She went on to work as a Prime Time Aide and then a substitute teacher. She completed her student teaching at Bibich in 2003 and then accepted her first position as a 5th grade teacher the following year. Sue moved to 2nd grade in 2004, completed her coursework for her high ability license at Indiana University Bloomington in 2013, and has been Bibich's second grade high ability teacher ever since, totaling 18 years of teaching service. Besides being an extremely supportive colleague, Sue's ability to integrate literacy units into her hands-on science lessons made her classroom an engaging environment that sparked creativity in every student. Retirement will allow Sue to have more time for gardening and traveling and spending more time with her family.
