Chess Club is back! Bibich students in Grades 2 – 4 can sign up to participate at the level they feel describes their skill level best. We will feature the Pawns, for students who need to learn to play or feel they want to practice and learn new moves. The Knights level is for more experienced players who are looking for higher levels of competition. **Please make sure to check the level that describes your skill level. The first 60 to sign up at each level will be invited to participate.**

The schedule of dates is in the table below. In the event that changes need to be made to the schedule, make up dates will be sent home and posted in the gold menu. Registration is giving permission for your child to attend each Chess Club date and covers each date. Your child will be staying at school on the dates indicated for their skill level! If your child will NOT attend a scheduled day, please send a note with dismissal plans to their teacher. Teachers will assume they are staying for chess if there is no note. Please make arrangements for pickup AT 4:00 PROMPTLY. You are welcome to make arrangements with Adventure Club if 4:00 is not feasible for the pickup time.

Regular in-school rules apply during club time. Failure to comply will result in expulsion from any and all chess club activities.

IF YOU ARE UNABLE TO PICK UP YOUR CHILD AT 4:00 P.M., PLEASE DO NOT ALLOW THEM TO ATTEND. TWO late pickups will result in loss of play.
