

THE COYOTE HOWLING

THE OFFICIAL PARENT NEWSLETTER OF CLARK MIDDLE SCHOOL

FALL 2016

Tracy Chandler, recipient of the Dunes Learning Center Green Apple Award at the Sand Creek Country Club on September 15. This award is given in celebration of excellence in environmental education.

From the Desk of Assistant Principal Joe Stanisz

Fall sports are in full swing and the weather is cooling off! Time seems to be moving very quickly! We just completed our fall spirit week and pep assembly with a football victory over the Highland Spartans (16-8). A big shout out to Mr. Wartman and everyone who helped make the pep assembly a success. Make sure to come out and support all our Clark athletic teams, clubs, and other groups.

The end of the nine week grading period is approaching very quickly (October 14th). Please make sure to encourage your children to come to tutoring and communicate with their teachers about any extra help or make-up work they need to complete.

Tutoring takes place on Tuesdays and Thursdays at 8:00 am. Also, utilizing their agenda book and checking Canvas is a great way to keep up with assignments and keep an eye on what is happening in class.

Picture retakes will take place on Tuesday, October 25th. Also, we have scheduled our annual Veterans' Day assembly for Friday, November 11th. Stay tuned for more information.

Kudos to our staff and students for all their hard work and dedication throughout the first month of school! Keep up the good work! Go Coyotes!!!

From the Desk of Principal Scott Graber

From the opening day, to the first school assembly, to dress up days, and College Go week, the students have done an outstanding job! As we move through the school year, I strongly encourage you to check daily with CANVAS to monitor your child's performances. Get involved with your child as you monitor their grades and activities.

Congratulations to our students for getting involved in our clubs and teams at CMS. School Spirit at its BEST! Keep up the awesome job! We have numerous clubs that are beginning so it is important to check out the school website to see when the meetings, tryouts, or events are taking place. Please continue to show your support by attending and being a supportive parent.

ISTEP scores were sent home with your child on Monday, September 26. It is important that you look at the scores, read through them and feel free to contact the school if you have any questions or concerns regarding the scores. Also, during the school year, the students will be taking the I-READY assessment three times to monitor their academic performance. Teachers will use that data to provide supplemental and or enriching activities for your child. Our goal is to challenge the students daily with critical thinking and higher order skills.

Communication continues to be paramount as we strive to keep you updated with school related information through the School Messenger phone system. Please understand that I try not to use the

School Messenger frivolously but only when necessary or to share pertinent information with you. As such, we ask that you remind your child to keep their cell phones at home or in their lockers. Cell phones cannot be in a testing environment, such as during the ISTEP tests and we want to make sure the students are in the habit of leaving them in their lockers or at home. If there is an emergency, we will contact you via the School Messenger phone system.

On September 15, Ms. Tracy Chandler, teacher for students with autism disorders -structured learning classrooms, was awarded the Indiana Dunes Learning Center Green Apple Award for her excellence in teaching. Ms. Chandler has been teaching for 30 years and does a tremendous job daily at CMS. We are fortunate to have her on our staff. Congrats Ms. Chandler! We are very proud of you!

And finally, thank you to the parents and guardians for your continued support. Your involvement in your child's education is paramount to our success. Please take time during the evening to read with your child, ask them about their day, study with them for a test or quiz, or have them explain a particular lesson or event that they learned while in school.

Please feel free to contact me at CMS if you have a problem or concern. Until next month, stay safe.
