Last call for Coyote Crawl is today. Please have your money in by the end of today.

Science Olympiad will meet today after school until 4:15, with Mrs. Hemmerling in room 808. Please make arrangements to be picked up at that time.

RED RIBBON week will be the week of Oct 23-31st. The theme this year is **LIFE IS YOUR JOURNEY- TRAVEL DRUG FREE--** Homerooms will have the opportunity to use this theme to decorate the outside of the classroom door or exterior wall space if door is already decorated with the college theme. Please be creative as possible!

We will judge the doors November 2nd, and winning classes will earn a class pizza party during lunch. Last year we had some great designs and many of the doors stayed decorated the rest of the school year!

For all teachers that are new this year, this is something we have done the last few years, and the kids enjoy putting forth the effort to come up with a winning door. The activities for RED ribbon week will be sent out prior to OCT 23rd. These are short educational activities to create a continued awareness regarding drug, alcohol and tobacco use.

Thanks for your help getting ready for RED RIBBON WEEK!

Ecoteens will be meeting again after school on Tuesday, October 23rd, until 4:45 pm. Please mark your calendars and meet in room 709 after school!
