### **Box Tops News – Please Help!!**

We need your help!!! Our **Box Tops for Education** collection is dwindling. We have only collected around \$600 this school year compared to over \$2,000 in past years. The money that we receive from the Box Tops goes directly back to our students! The monies allow for the administration to do those little extra items for the students, like ice cream treats and special events. Please consider saving your Box Tops and sending them into Clark!

We will award Target gift cards to the top three students that bring in the most Box Tops for the 2018-2019 school year! Students that have already brought in since the beginning of the year have received credit for those box tops. If you have any questions, please contact Kelly Hempenius (Wojciehowski).
