- On August 3rd and 5th, the office staff, nurses, counselors and administrators will be available to assist you with any questions or concerns you may have regarding our upcoming school year at Clark. Medications can be dropped off at this time in the nurses' office. Also, our Athletic Director, Lori Smith, will be available on August 5th for parents and/or students who have questions about our athletic program.

August 10:

- First Day of School for Students!!!

HELPFUL INFORMATION

Breakfast and lunches are FREE again this year to all students. The only reason a child would need money in their lunch account is if they would like to purchase a second lunch or buy items a la carte. We are very happy that the federal government has approved this for our students. Breakfast can be picked up in the cafeteria beginning at 8:20 a.m., or students can pick up items from the breakfast cart when they enter the building from the buses in the morning.

Students will again have access to chrome books, which they will be able to bring home nightly, but please make sure you monitor what they are doing. The use of the chrome book is for EDUCATIONAL purposes only.

Over the next few weeks, please make sure to check out the school website for additional information regarding “back to school.” The school supply list is posted on Clark’s website and a printed copy will be available in the main office. Look for our “Back to School” newsletter during the month of August.

Enjoy the rest of the summer!

We are looking forward to a fantastic school year!
