

## Parents of 5th Grade Students

This past Wednesday, the counselors talked to the 5<sup>th</sup> grade students about choosing specials' classes for next school year. Students were given a yellow form and were asked to make their selection, get the form signed by a parent/guardian and return it to school. The form is due to the main office by Friday, March 11<sup>th</sup>. If you have not signed the form, please ask your child about this.

If your child chose band, they did not receive a form on Wednesday, as the band director collected and turned those forms into the office already.

If your child originally chose band and would like to switch to the rotation (art, PLTW, Computers and PE), please contact your child's guidance counselor as soon as possible. As a reminder, if a child chooses band or choir, the expectation is that they remain in the class for the entire year. Students who choose band or choir, will also receive PE/computers as their other elective.

Thank you. If you have questions, please feel free to contact your child's guidance counselor or an administrator.
