A MESSAGE FROM

Mr. Graber

CLARK MIDDLE SCHOOL PRINCIPAL

Happy 2nd semester. As we embark on the second half of our school year, I want to say “THANKS” for your help during the 1st semester. It seems that the year is flying by and before you know it, it’s time to begin planning for the end-of-year celebrations. Please make sure to check the CMS website, daily announcements, and the Alert Now information that I will be sending out over the next few weeks.

As we continue to focus on our school improvement process, a huge CONGRATULATIONS goes out to the students selected as “Students of the Month”. Teachers have been nominating students based on several different characteristics such as work ethic, materials for class, etc. Each month is a different characteristic and we will continue this through the end of the year.

The new entrance procedures have been going very well. As a reminder, if you are picking up your child, please send a note with them to the main office in the morning. When you arrive, please let the secretaries know that you are here to pick up your child and they will send them to you in the corridor. Please sign your son/daughter out on the sheets provided. If you do not send in a note, then the secretaries will contact the classroom and have your child sent to the office. You will be asked to wait in the corridor until your child comes to the office. Again, safety is our priority.

I AM and I-LEARN state testing will take place beginning on the following dates:

I AM: April 3- May 12 I-LEARN: April 17-May 12

All students will participate in either the I AM or the I-LEARN testing process as determined by the school and the state.

Please mark your calendars for the following activities:

- January 25—high school World Language teachers will visit with 8th-grade students regarding the upcoming scheduling of classes for the high school
- January 31—club and group pictures will be taken throughout the day for the yearbook
- February 6, 7, and 8—RTI meetings
- February 6-10---Penny Wars—focus on raising money for high school seniors that went to CMS
- February 9—8th-grade parent dance meeting (all parents interested in helping plan the end-of-year dance for the 8th-grade students are encouraged to attend). The meeting will be in the café at 6:00.
- February 14—1/2 early release—dismiss at 1:10
- February 20—no school---Presidents’ Day
- February 23--- 5th-grade students will visit Jak’s Warehouse for STEM activities

With the 2nd semester underway, please make sure to check Skyward and speak to your child about their grades, work ethic, etc. Over the past few weeks, the administration and counselors have been meeting with students to discuss such issues. For some, there is a possibility of retention and/or the possibility of summer school. The 2nd semester is a fresh start and hopefully, working together as a team, we can get your child to put forth their best effort. However, for some students, the concept of retention seems foreign and they try to slide by. At CMS, we do not socially promote. Students need to show that they are academically ready to move on to the next grade level. If by chance, the administration, teachers, and counselors, see a need for possible retention, we will be in contact with you—in almost all cases, meetings will take place which will give the child plenty of time to improve their grades, etc.

Communication....please continue to keep lines of communication open with the staff at CMS. If you have a concern or issue, please talk with the child’s teacher and follow up with the counselors or administration. Until next month, stay safe.

An exciting time has arrived for 8th grade students as they begin to plan their transition to high school!. On Friday, January 20, enrollment will begin for the lottery to take PE and Pool courses over the summer. Parents must register their student for the lottery by Friday, February 3 at 3:00pm. Scheduling for incoming freshmen will take place in February. More details will be available on the Clark Middle School website and Lake Central High School website soon.

January 23 will begin the Great Kindness Challenge. During the week of the **Great Kindness Challenge**, each middle school will participate in Random Acts of Kindness done by students in the school. Students will be encouraged to promote the kindness challenge by embracing opportunities to be kind and helpful in the coming week. Look for Random Acts of Kindness happening throughout the building and greater community!

School Safety with Officer Nick

Hello Clark Coyote Parents!! I hope the new year is treating you well. We are excited to kick off the new semester and get things going. Over break, the Lake Central SRO team completed our *Emergency Bucket Program*. Each classroom now has an emergency bucket filled with several items students and staff may need in an emergency situation. Thank you to all the parents,PTO, and sponsors who assisted with our E- Bucket program. We are currently working on other safety related projects including first aid training and collaborating with Police and Fire Departments regarding safety procedures at our schools.

For the safety of all our students and staff members, here are a few reminders in regards to school traffic. Parents: when dropping off your student in the drop off line, please remember to drive slowly and yield at the crosswalk areas for students crossing. The drop off line is one way only. Please do not drive the wrong way around the cones, which block off the other lane for student safety. The more students who are dropped off at one time, the easier and more timely the process runs. We encourage everyone to use the drop off line for student safety. If parents are running late or prefer to drop off in the parking lot, please park your vehicle in a parking space to not impede the flow of traffic. Make sure your child uses the crosswalk areas only when crossing the street to ensure their safety. And lastly, parents please stop at the crosswalk areas and yield to pedestrians when driving in the parking lot. We are a very busy school during arrival and dismissal and want to make sure our students are safe. Lastly, we have had some complaints in the surrounding neighborhoods about students walking to and from school through residents' yards. Please remind your children to use the sidewalks and refrain from cutting through yards to get to school unless they have permission from the homeowner. Thank you very much for your time and we look forward to this new year here at Clark Middle School!! 😊

INCLEMENT WEATHER POLICY

Below is what will take place on an eLearning day this winter if Lake Central needs to close the district for the day due to bad weather:

- **Teachers will post materials by 9:30AM.** The materials will be posted under Canvas Assignments with the date in the title of the assignment.
- **All students will log into Canvas by 9:45AM and join their class Google Meet using a link that has been posted by their teacher.** They will follow the schedule for their building that is listed below:

Middle Schools	<p>Schedule will be as follows:</p> <ul style="list-style-type: none">● Period 2: 9:45AM to 10:10AM (Block 1 5th Grade)● Period 3: 10:15AM to 10:40AM (Block 1 5th Grade continued)● Period 4: 10:45AM to 11:10AM (Block 2 5th Grade)● Lunch: 11:15AM to 11:45AM● Period 5: 11:50AM to 12:15PM (Block 2 5th Grade continued)● Period 6: 12:20PM to 12:45PM● Period 7: 12:50PM to 1:15PM● Period 8: 1:20PM to 1:45PM
----------------	--

After the live instruction, all middle school teachers will have office hours 2PM to 3PM so students can ask questions and get help. All students will have three school days to complete their eLearning assignments in case there are any issues at home where they cannot access the lesson that day. For some of our special needs programs, such as Applied Skills, the schedule may be adjusted slightly. Teachers for those programs will email parents the schedule they will follow in the case of inclement weather.

If the weather is ever so severe that a large portion of the Tri-Town area is without power and eLearning is not possible, we will simply cancel school and add the days to the end of the school year.

All middle and high school students have chromebooks assigned to them already, and should be sure to take them home each night over the winter.

Additional resources for parents on eLearning days, such as login information and helpful links, can be found on this document: [Parent Resources for eLearning 2022-23](#). If you have any questions, please contact your building principal or Sarah Castaneda at scastane@lcscmail.com.

In December, Project LIT reached out to include our whole school community by hosting a Gingerbread House contest that all students could participate in. Individuals or families created Literary Gingerbread houses, based on the setting of a favorite book. Many beautiful houses were submitted, and students who won received candy and a book of their choosing.

Gingerbread House winners:

Most Delicious - Wynn Cooper for her house based on *The Ranger's Apprentice*

Most Whimsical - Sofia Truong for her house based on the *Harry Potter* Series

Most Creative - Audrey Heavilon for her house based on *The Hobbit*

Best Constructed - Kyla Caulfield for her house based on *The Clackity*

Best Theme - Stella Mousetis for her house based on *The Grinch Who Stole Christmas*

Staff Winners:

Most Creative, Best Theme, and Best Constructed - Mrs. Brink for her house based on *One of Us is Lying*

Most Delicious and Most Whimsical - Mrs. Panozzo for her house based on *Anne of Green Gables*

SCHOOL SPORTS

By Grace Gutierrez

Have you guys been cheering for our Clark sports teams? If not, you should be! All the games are a lot of fun to go to! I personally like to go to the football games the best. Recently, there have been some boys basketball games and dance competitions. The girls were wearing hot pink. We have some fun pictures for you to look at.

WORLD CUP

By Grace Gutierrez

World cup-

Messi won the world cup! Ronaldo lost. Everyone has a different opinion on it. At least Mbappe made it to the final. He even had a hat trick, but Messi was just better. This game was really exciting because it was Messi's last game, and he won. He has never won before. He became known as the professional soccer player with the most appearances in the world cup. In my personal opinion, I prefer Messi over Ronaldo. One of the reasons is because lately Ronaldo has not been appreciating his teammates. He left Manchester United because he wasn't getting enough playing time. He was actually still on the team when he was talking bad about his fellow teammates. Not many people are happy with his behavior right now. One of those people is me. I would like to know your opinion on this topic. Do you prefer Messi or Ronaldo?

Lake Central

Dollars for Scholars.

Dear Clark Middle School Families,

The Pennies for Education Scholarship Drive, also known as “Penny Wars,” is being held the week of February 6- February 10. **The money collected is awarded to deserving Lake Central seniors who are former graduates from CLARK MIDDLE SCHOOL!!!** Each middle school’s money raised goes to their own former students! Beginning on Monday the 6th, we are asking the children to bring and donate their pennies, nickels, dimes, quarters, and even dollars (all forms of cash and tax-deductible checks payable to LC Dollars for Scholars are welcome).

On Friday, the top class from the entire school will be announced as the recipient of the grand prize. If your school collects the most for the corporation, not only will they have the most scholarships to award at the Lake Central Dollars for Scholars Annual Awards Ceremony, but they will also receive the corporation traveling trophy for that year.

Dollars for Scholars is such a worthwhile organization...we are a club at Lake Central that has ties to Scholarship America.

- Help is given to college-bound and trade school students.
- We provide LOTS of volunteer opportunities through the school and the community to list on college and scholarship applications.
- We present scholarships based on evidence of being a well-rounded student and good citizen, with minimal focus on grades.
- We provide help in filling out college forms.

Your support of our Penny Wars is greatly appreciated. Saving for a college education can never start too young. Let’s help these kids make a difference in the world!

Every penny counts!
