A MESSAGE FROM

Mr. Graber

CLARK MIDDLE SCHOOL PRINCIPAL

Happy May! It's hard to believe that we are so close to the end of the 2022-2023 school year. With that in mind, a huge THANK YOU for your support this past year. From the school fundraisers, to PSAT, I AM and ILEARN testing, to field days and field trips, yearbook events, club and group activities to concerts, and sporting events—THANK YOU!!

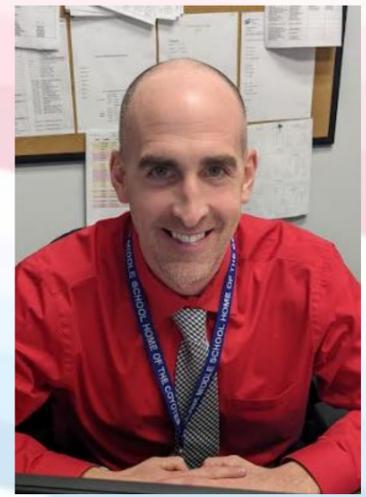

For our 8th grade students, a special time has come for you...for some there will be tears of happiness, for others, tears. For some, high school awaits at LCHS while others will be attending other high schools in the area. Wherever your journey takes you, I hope that you will always remember your time at CMS. Each student has made an impact in some way with the staff members and administration. We wish you the best of luck.

For our returning 5th, 6th, and 7th grade students...enjoy the summer. Take time to be outside—put down the cell phones and enjoy nature. Go on walks, enjoy time with family on vacations, get involved in some sort of activity, but most all take time to reflect on the past year. Did you meet your goals for the year? If not, why? If yes, set more goals and continue to strive. I look forward to seeing you back in the fall.

Please make sure that you check the daily announcements for the upcoming events and activities as we finish up the school year as well as information that will be posted for the fall semester.

With gratitude.... have a great summer.
Mr. Graber

It's hard to believe we are at the end of another school year. With warmer weather ahead of us, please remember that the school dress code requires all shorts to be at least fingertip length. Bus changes are still a challenge for us, however, we appreciate your patience and understanding.

Student safety is a priority. Please be sure to follow the flow of traffic in the morning and afternoon when dropping students off. There is only one drop off/pick up line. Please do not drop students off at any other location in the parking lot.

With the 8th-grade Award Ceremony right around the corner, don't forget to call and request handicapped seating if necessary. Doors will open at 9:15 for families. Tickets are not required. If you are planning to bring a Clark sibling to the event, please send them with a note to be signed out and pick them up from the office prior to proceeding to Door I for entry to the ceremony. After the ceremony, 8th-grade students are able to leave for the day.

Looking ahead to the next school year, the early release dates are listed below for you to add to your calendar. Dismissal will be at 1:10 pm. Lunch will be served on early release days.

Finally, I would like to recognize our amazing track team for a successful season. Our girls ended with a 6-0 record making them the Conference Champions! Congratulations Coyotes!

Academic Super Bowl

On April 29, the Academic Super Bowl team competed at the area competition at Pierce Middle School. Clark placed in four out of the five subject areas. Winners included:

Social studies (2nd place): Hadleigh Smith, Ben Szafasz, and Jack Szafasz

Math (3rd place): Austin French, Ben Szafasz, Jack Szafasz, and Jovan Uzelac

English (3rd place): Mabel Salmen and Hadleigh Smith

Interdisciplinary/all subject areas (3rd place): Austin French, Mabel Salmen, Hadleigh Smith, Ben Szafasz, and Jack Szafasz.

Congratulations to all on a great season!

Future Problem Solvers

Clark Coyotes Jack Szafasz and Stella Moussetis competed in the Indiana Future Problem Solvers Scenario Writing Competition earlier this year. Jack took 1st place for the Junior Division. Stella took 1st place for the Middle Division. Both have advanced to the FPS International Competition to be held in June at the University of Massachusetts-Amherst. Congratulations to both of them on this huge honor!

APRIL STUDENT OF THE MONTH

For the month of April, Clark Middle School focused on the character trait of Integrity. Clark staff looked for students who in a *trustworthy and honest* manner.

5th Grade Science

The Egg Drop Challenge

In correlation with 5th grade Science units on both the solar system and patterns within space, students were tasked with the challenge to create a lander that would successfully land the next rover on planet Mars. Students worked in teams, collaborated, ran trails and restructured their design prior to the final drop. Check out the pictures from some of our awesome 5th grade engineers!

STOP THE SUMMER READING SLIDE

Your children have made great gains this school year in reading comprehension. Let's keep the ball rolling with fun summer reads!

Did You Know?

According to *Scholastic*, students lose an average of 20% of their school-year gains in reading during the summer months.

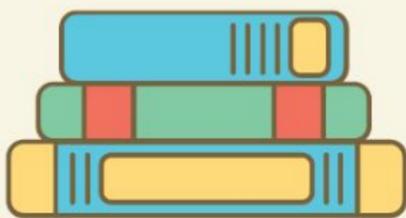

In *The Power of Reading*, Stephen Krashen states that "no single literacy activity has a more positive effect on students' comprehension, vocabulary knowledge, spelling, writing ability, and overall academic achievement than free voluntary reading."

Library News

By Tina Genovese

The Library hosted an author visit for our Project Lit students on Wednesday, May 3. Our author just happened to be Clark alumna, Jada Parks! Jada is a Junior at Lake Central HS and is already a published author of the book, *In My Dreams*.

Jada spoke to students about how she came upon the concept for her book. She expressed to them to find their creative space and do their research. Once in the editing stages, it was recommended that her character names be changed to go along with the story line. "It's all part of the learning experience," Jada expressed. Jada talked about the process to get her book edited and published and told students she is finding the toughest part is marketing her book. She currently has a Tiktok account where she reads excerpts from her book and gains feedback from her followers.

About 30 members of Project Lit were in attendance and gained a great deal of knowledge listening to Jada. Four copies of Jada's book were raffled off to the members in attendance and signed by Jada. The book is available for purchase directly through Jada, and also on Amazon. If you would like to purchase a copy of the book, please see Mrs. Genovese in the Library for Jada's contact information. It will be available at the Clark library for check out next year.

In other Library news, congratulations go to the students listed below who created Flip Book Reviews for our library site. These book reviews are available for students to view at any time from their own chromebook or from the dedicated computers in the Library. Reviews are listed by genre, so students can view them when looking for their next book to read.

To kick off the program, from March 1 until May 1, students who created a Flip book review were eligible to enter the drawing for the grand prize of an AMC movie basket and 19 McDonald's Happy Meal coupons. Thanks to all the students who created Flips!

The winners are:

Grand Prize Winner of the Movie Basket

Stella Mousetis

Added Prize for most Flips - McDonald's Happy Meal and Culver's Scoopie

PARENT INFO

Does your child need to leave school early?
In an effort to keep Clark safe for our students and staff, please send them to school with a note stating the time of departure.

Please note, students without a note will not be released to anyone outside of the emergency contact list without prior approval from the parent.

Are you looking for daily information about Clark? Visit the Clark website at

<https://clark.lcsc.us/>

The announcements, which are read to the students daily, are also posted here.

Lake Central School Corporation Medication Guidelines

When possible, give your child medicine at home. Indiana Law 287 requires that schools observe certain regulations when administering medication to students. The following procedures must be followed and renewed each year. The complete Lake Central School Corporation medication policy is found in the Student Agenda.

Prescription Medications:

1. No prescription medication shall be given or dispensed unless a medication authorization form is signed and the medication is in the original container bearing the current pharmacy label and the child's name.
2. Written permission from the child's parent or guardian must also be on file at the school.

Non-Prescription Medications:

1. Over-the-counter medication requires medication permission form to be completed by the parent or guardian, stating the amount of medication and the hours for administration.
2. It must be brought in the original container labeled with the student's name.
3. Over-the-counter medication includes ibuprofen, acetaminophen, nasal sprays, cough and cold medication, cough drops etc..

For Self-Carry Medications:

1. Are for emergency medications only.
2. Self carry form MUST be completed and signed by physician and signed by parent/guardian and turned into the nurse's office.
3. Medication must have pharmacy label attached with instructions provided

Please Note:

1. Medication forms are available at the school's main office, the nurse's office, or on Lake Central School Corporation/Clark's website.
2. Medications must be brought to the school and picked up from the school by a parent or guardian.
3. All medications must be picked up by the last day of school by a parent or guardian. Otherwise, all medicine will be disposed of according to the Lake Central School Corporation Medication Policy.

Mrs.
Gonzalez

Mrs.
Danielson

Ms.
Rodriguez

Parents, if your child has any medications in the nurse's office, please be sure to pick them up by the last day of school. Any medications that are not picked up will be discarded. Thank you and have a wonderful summer!
