APPLES FOR THE STUDENTS

Educational technology and its funding change daily. To keep up with these changes and their accompanying expenses, our school is participating in our local Strack & Van Til's Apples for the Students Program. The program enables our school to earn computers and Ipads, sporting goods, audio visual equipment, and science supplies, with choices from hundreds of other awards, too! And, they're all free!

To earn these FREE awards, we simply have to collect as many register receipts as possible from September 1, 2025 through March 31, 2026. Ask your friends and relatives to shop at Strack & Van Til Food Market and save every receipt. Send the receipts to school with your students as often as possible. The school will count the value of the register tapes collected and redeem them for great educational awards that benefit your child. Thank you in advance for your participation!
